

STOCKS

Embroidery & Sewing Solutions

Introduction to Stocks Sewing Machines Ltd:

Stocks Sewing Machines Ltd has been established since 1971, celebrating 45 years within the sewing and embroidery industry. The company has grown over the years to become one of the UK's leading suppliers of commercial and industrial embroidery equipment, and industrial sewing machinery, whilst always keeping the standards of a true family firm.

With extensive experience within the sewing machinery and textiles industry, we only stock industrial machinery of the highest quality from reputable manufacturers. We understand that you need excellent technology to create excellent products, and we have no doubt that we can help you find the perfect machinery for your requirements. Whether you're just starting out in the textile industry or you're a seasoned expert, we are sure to have the machinery to suit you and your business within our collection of products.
